PRESIDENT'S MESSAGE

Stephanie Hauser

Hello Everyone!

Although I have said it before, I would like to again thank everyone for their support and help during 2011. I am sincere when I say this. The GCDA has great members!

It was good to see everyone and the monthly project was great fun. Kudos to Pat Hull!

The January meeting was busy and I forgot to announce the Outstanding Member for 2011. It was a difficult decision. There are many who help keep the GCDA running smoothly (or help me fix things I mess up). It is with my deepest appreciation that I announce the **Outstanding Member of 2011, SUZANNE FAIRBANKS**. Suzanne is an active member in the GCDA. She was our 2011 Retreat Chairperson, runs the Show and Tell at the meetings, and volunteers her time and talent in the service projects and in painting items for the Christmas Party. On a moment's notice, Suzanne stepped up to the plate to assume the duties and challenges of the VP of Programs role. Under her guidance, GCDA classes and workshops were able to continue seamlessly for the remainder of the year and her interim term. Suzanne also got things ready and set up for the 2012 monthly classes. Please join me in thanking Suzanne for all her hard work and dedication to GCDA.

Hope to see you at the February meeting,
Happy Painting,
Stephanie Hauser

Program Report
Sandie Tieman, VP Programs

Hello Ladies!

First of all, I would like to thank you all for entrusting me to be your VP of programs. I will do my best to keep everyone happy and painting! I would ask that if you have any questions, suggestions or concerns to please let me know. Your input as a member is vital to our Chapter's growth. We have a full year of programs and special workshops lined up and I'm hoping that everyone is as excited as I am. We are going to try something new for the special workshops this year and see how it goes. Instead of bringing in outside teachers we are reaching out to our own members to submit projects. The first workshop will be held on Saturday, March 17th taught by Jan Bowen which is included in the newsletter. [See page 9.] Now here's the fun part....I need all of you who are interested to submit a project for the next special workshop to be held on September 22nd. **I would like to have all projects submitted to me by the April meeting** so we can have a membership vote on what project will be taught. This is a great opportunity for anyone who has a special talent in a given medium or for someone who has "secretly" always wanted to teach but has not been given the opportunity to do so. Please don't be shy!! I have seen first hand the many talented and gifted artists we have in our group.

A huge thank you to Pat Hall for the colored pencil class she taught last month. She has been getting "rave" reviews and it was wonderful to see so many of you sign up for her class. Carol Cole will be teaching her snowflake ornament this month and she has 17 people signed up, isn't that awesome? Jan Bowen will be teaching in March and I look forward to going to the mailbox to retrieve all of your registration forms and checks:) Ok, I've rambled on long enough. Looking forward to seeing all of your smiling faces (and a project or 2 or 3 or more?) Have a great day!

Sandie

This year, you may travel on Thursday and stay at the Higher Ground facility on Thursday evening. The additional cost is \$50 per person. Please be sure to check the box on the registration form for early arrival. We will be ready to welcome you at 6:00 pm. Please check in, get your room key and get settled in your room. Membership News

Melanie Wilmhoff, Membership VP

I would like you all to welcome a returning member to our club, Marian Jackson. I spoke with her last week and am eager to get to know her better. Please help me extend a warm welcome to her.

We had 30 members present at the January meeting. That's a great turnout for January! If you were at the January meeting, you should have received your vouchers for being a member in good standing. I will get the rest of the vouchers to you by mail if you were unable to attend. Please keep track of your vouchers! I have printed them on a bright blue paper to try to make them easy to be spotted. I put mine on my file cabinet with a magnet. That way they are out in the open to remind me I have them to use and I know just where they are. Another idea, keep in your wallet or purse calendar or with something you bring to the meetings.

I sent out a new membership list to everyone with an email address. If you need a hard copy, please let me know and I will bring copies to the next meeting for you.

Until next time!

Melanie

Oil Painting Assistant: <http://www.mxac.com.au/oilpaint.htm>

Description and Abbreviated Review from the Net:

Oil Painting Assistant is a software program that helps you create successful oil paintings from your own digital photos, scanned or downloaded images. After you choose the image you want to use, the program lets you choose the canvas size and orientation (portrait or landscape) of your painting. At the third stage, the program performs a color analysis of the original picture and yields the color palette you can use for making your painting. You can choose which algorithm to use for generating the basic colors. These can be produced using the oil paintings without mixing them, mixing each color with black or white, mixing two or three different colors, and so on. Also, you can choose which level of detail you want in your painting. This can go from very low to full detail. Next, the program allows you to use a grid for sketching the base drawing for your painting. Finally, you can print the gridded image for transferring it to the canvas. The program will show you an interactive screen that lets you find out how to obtain any color of the image by placing the cursor over it. A very useful program for oil painters.
